To find out where we belong  
From the earliest days  
We were dancing in the shadows

More wine  
'Cause I got to have it  
More skin  
'Cause I got to eat it

Inside the outside  
By the river  
Used to be so calm  
Used to be so sane

I rushed the lady's room  
Took the water from the toilet  
Washed her feet  
And blessed her name

You brought peace

Slow down  
We're too afraid

Let me ride  
Let me ride  
Burn my eyes  
Let me ride, yeah

It was an evening I shared with the sun  
To find out where we belong  
From the earliest days  
We were dancing in the shadows

Slow down  
We're too afraid

Let me ride  
Let me ride  
Burn my eyes

Let me ride, yeah

Let me ride

Oh, let me ride

Oh, let me ride

Oh, let me ride
