Lightning crashes, a new mother cries  
Her placenta falls to the floor  
The angel opens her eyes  
The confusion sets in  
Before the doctor can even close the door

Lightning crashes, an old mother dies  
Her intentions fall to the floor  
The angel closes her eyes  
The confusion that was hers  
Belongs now to the baby down the hall

Oh, I feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the centre of the Earth again  
I can feel it

Lightning crashes, a new mother cries  
This moment she's been waiting for  
The angel opens her eyes (Her eyes, her eyes)  
Pale blue coloured eyes,  
Presents the circle  
Puts the glory out to hide, hide

Oh, I feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the centre of the Earth again  
I can feel it, I can feel it

All right, all right, all right  
I can feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the centre of the Earth again  
I can feel it  
I can feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the centre of the Earth again  
I can feel it  
I can feel it comin' back again (Back again)  
Like a rollin' thunder chasing the wind  
Forces pullin' from the centre of the Earth again  
(Centre of the Earth)

I can feel it, I can feel it, I can feel it
