There's an army on the dance floor
It's a fasion with a gun, my love
In a room without a door
A kiss is not enough in

Love my way
It's a new road
I follow
Where my mind goes

They'd put us on a railroad
They'd dearly make us pay
For laughing in their faces
And making it our way

There's emptiness behind their eyes
And dust in all their hearts
They just want to steal us all and
Take us all apart, but not in

Love my way
It's a new road
I follow
Where my mind goes

Love my way

It's a new road
I follow
Where my mind goes

Love my way
It's a new road
I follow
Where my mind goes

Swallow all your tears my love
And put on your new face
You can never win or lose
If you don't run the race

Love my way

It's a new road
I follow
Where my mind goes

Love my way
It's a new road
I follow
Where my mind goes
