I have never taken life  
Yet I have often paid the price  
And you you are a victim of this age  
And the guilt that hangs around your neck  
Has got me locked up in a cage  
You've got to learn to live until no end  
But first you must learn to swim  
All over again (oh no)  
Because...  
Pain lies on the riverside  
And pain will never say goodbye (oh no)  
Pain lies on the riverside  
So put your feet in the water  
Put your head in the water  
Put your soul in the water  
And join me for a swim tonight  
I have forever, always tried  
To stay clean and constantly baptized  
I am aware now that the river's banks are dry  
And to wait for a flood  
Is to wait for life  
I've got to learn to live until no end  
But first I must learn to swim  
All over again (yeah yeah yeah)  
Because...  
Pain lies on the riverside  
And pain will never say goodbye (oh no)  
Pain lies on the riverside  
So put your feet in the water  
Put your head in the water  
Come on, put your soul in the water  
Join me for a swim tonight  
For a swim tonight (oh my love)  
I've got to learn to live until no end  
But I've got to learn to swim  
All over, all over  
All over again (yeah yeah yeah)  
Because...  
Pain lies on the riverside (ohoho nanah nanah)  
Pain will never say goodbye (oh no)  
Pain lies on the riverside  
So put your feet in the water

Put your head in the water now  
Come on, put your soul in the water  
Join me for a swim tonight (yeah)  
For a swim tonight  
Got to swim  
All over, all over, all over  
All over again  
Got to live  
All over, all over, all over  
All over again
