I wanna feel
I wanna try
I wanna rock in the city tonight
I wanna deal
Don't wanna die
I wanna bring my Captain Hook into the light
People I've seen in my day
Ranting and raving this beauty away
We are by and large the same
But words are too feeble, they cannot contain
He was a rock and roll messiah
She was known for her child care
The truth is gonna give up the world
If you can give up the stage
If I can give up the stage, the stage, the stage, cÂ'mon

I wanna feel
I wanna try
I wanna rock in the city tonight
I wanna deal
Don't wanna die
I wanna bring my Captain Hook into the light
People I've seen in my day
Ranting and raving this beauty away
We are by and large the same
But words are too feeble, they cannot contain
He was a rock and roll messiah
She was known for her child care
The truth is gonna give up the world
If you can give up the stage
If I can give up the stage
If we can give up the stage

Come to this, well I can't come to you
Don't do this, wake me up tonight
Come to this but I can't come to you
Don't do this, wake me up tonight, tonight, tonight
Come home motherfucker

He was a rock and roll messiah
I was just staring into the light, messiah, messiah,
messiah

(?)

Gimme the stage, gimme the stage
Messiah, messiah, messiah
