Let the world be the world
Let the dream unfurl
Let it run its own game
Let it dance with itself
I didn't put it here
(Here)
Gonna let it ride
(Ride)
Gotta master
Crazy on the other side
Wakin' me up

I ain't got no brains
I can't trust my eyes
What good's a beautiful day?
(Day)
You can't see the light
I can't find my fate
(Yea)
Well I must be blind
With the force and fire of love
Takin' over my mind, yea
Wakin' me up, obligin' me to the Sun, oh
Obligin' me to the Sun

Sun, Sun merciful one
Sun, Sun, yea, ah ha
Sun, Sun
Won't you lay down your light on us?
Sun, Sun, haa

Let the world be the world
(Let the world be the world)
Let the girl be the girl
(Let the girl be the girl)
Let her beauty move ya
(Beauty move ya)
Let her dance be your guide
(Way to dance)
Let your hunger grow
(Grow)
To eat the fruit too low

(Too low)
Keep climbin' for the kisses on the other side, yea
Wakin' me up, obligin' me to the Sun, oh
(Yea)
Obligin' me to the Sun ohh

Sun, Sun merciful one
Sun, Sun, oh yea
Sun, Sun
Won't you lay down your light on us?
Sun, Sun
(Yea, oh)

All we need is to come into the Sun
And I've been in the dark for so long
All I need, all we need, all I need, all we need
(I've been all around the world, I'm waiting for you, I'm
waiting)
Yea!

Sun, Sun merciful one
Sun, Sun, yea
Sun, Sun
Won't you lay down your light on us?
Sun, Sun, ahh
Sun, oh hoo hoo hoo yea, yea, yea
Sun, Sun, oh hoo hoo hoo
Sun

Won't you lay?
(Sun, Sun)
Hmm, won't you lay?
(Sun)
Ahh
(Sun, Sun)
Won't you lay, light on us?
(Sun)
(Sun Sun)
Oh, yea
(Sun)
(Sun Sun)
