The way you're bathed in light reminds me of that night  
God laid me down into your rose garden of trust  
And I was swept away with nothin' left to say  
Some helpless fool yeah I was lost in a swoon of peace  
You're all I need to find so when the time is right  
Come to me sweetly, come to me, come to me

Love will lead us, alright  
Love will lead us, she will lead us  
Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight  
Love will lead us, she will lead us

Oh yeah, we meet again, it's like we never left  
Time in between was just a dream  
Did we leave this place? This crazy fog surrounds me  
You wrap your legs around me all I can do to try and  
breathe  
Let me breathe so that I so we can go together

Love will lead us, alright  
Love will lead us, she will lead us  
Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight  
Love will lead us, she will lead us

Life is like a shooting star it don't matter who you are  
If you only run for cover, it's just a waste of time  
We are lost 'til we are found  
This phoenix rises up from the ground  
And all these wars are over

Over, over  
Singin' la da da, da da da  
Over, come to me, come to me  
Yeah, la da da da, da da da  
Come to me

Love will lead us, alright  
Love will lead us, she will lead us

Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight  
Love will lead us, she will lead us

Life is like a shooting star it don't matter who you are  
If you only run for cover, it's just a waste of time  
We are lost 'til we are found  
This phoenix rises up from the ground  
And all these wars are over, over, over, over

Love will lead us, alright  
Love will lead us, she will lead us  
Can you hear the dolphin's cry?  
See the road rise up to meet us  
It's in the air we breathe tonight  
Love will lead us, she will lead us

Love will lead us, alright, oh yeah  
To the road up, she will lead us  
Love will lead us, alright
