Visit "[Tired Of "me"](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You say, "Hold on to the reigns"  
I say, "Let them go tonight"  
My brain waves confused between what is and ain't  
She cries, "Groundless and free"

Tired of the water, tired of the wine  
Tired of the future, tired of time  
Tired of the madness, tired of the steel  
Tired of the violence, tired of me

Used steel, used steel am I  
What was pliable in love is now hard and crystallized  
The intellect is fine for counting money and recalling  
times  
That she cried, "Groundless and free"

Tired of the water, tired of the wine  
Tired of the future, tired of time  
Tired of the madness, tired of the steel  
Tired of the violence, tired of me, tired of me

Oh, oh yeah, I'm so tired of time  
And I'm so tired of the wine  
And I'm so tired of time  
And I'm so tired of the wine, yeah

And hope is a letter that never arrives  
Delivered by the postman of my fear

You say, "Hold on to the reigns"  
I say, "Let them go tonight"  
My brain waves confused between what is and ain't  
She cries, "Groundless and free"

Tired of the water, tired of the wine  
Tired of the future, tired of time  
I am tired of the madness, tired of the steel  
Tired of the violence, tired of me

Tired of me, tired of me  
Tired of me, tired, tired of me
