Two, three, four

All the things that they make you say  
And all the love that you had, when  
I'll pick you up and it'll be alright  
I'll pick you up and it'll be tonight

She rode a horse into my head  
She rode a horse into my head  
Yeah

She won't discipline the children  
And now they're runnin' wild on the beach  
And I don't care  
No, I don't care, no, I don't care

Yeah, yeah, yeah

It's the middle of the night again  
Playing Domino's and drinkin' in bed  
I tried to make up something deep to say  
But my well is temp and dry today

Hey  
Hey, hey, hey

She rode a horse into my head  
She rode a horse into my head  
Yeah

She won't discipline the children  
And now they're running wild on the beach  
And I don't care  
No, I don't care, no, I don't care  
Yeah hey

She rode a horse into my head  
She rode a horse into my head  
Yeah

She won't discipline the children, oh no,  
But now they're running wild on the beach

And I don't care  
No, I don't care, no, I don't care
