The loneliness comes, Iâ€™m in this place again  
Looking for some peace of mind in anything I can  
I canâ€™t shake this feeling and I donâ€™t know why  
So my heart and I run and hide hanging onto my pride

Iâ€™m wandering aimlessly without a plan  
Lost in the dark, cause I let go of Your hand  
Iâ€™m feeling so weak, that I canâ€™t even stand

Why donâ€™t I fall down and reach out for Your hand?

Iâ€™m falling under, that crashing waves of sin  
I canâ€™t overcome these ways that Iâ€™ve been living in  
My desperation screams that â€œIâ€™m running out of  
timeâ€

Just give me the answers Lord, and in this life of mine  
Oâ€™ Iâ€™ll let Your glory shine
