When i met you you were eating ice cream  
When we first met you fell upon your face  
And now i can't get you outta my head  
No i, i can't get you out of me  
[CHORUS]  
I'm falling and i can't get up now  
I'm falling and i realize  
That you're the one for me  
And you have to be  
Falling, falling for me too  
This feeling is screwing me up  
This feeling, i don't want it ever to stop  
And now i can't get you outta my head  
No i, i can't get you out of me  
[CHORUS] x4
