Plugging up your asshole with my stiffened cock!
Stroking
With my tadpole your bunghole smells of rot! Pulling
out
My manhood take ahold of rod, stabbing your vagina
'til
Your fucking dead! Driving at you harder, your crotch
Begins to swell! You climax on you agony, that pussy
sure
Does smell! Overwhelming stench! Thriving on your
semen,
Lusting for your crack, sizing up your rectum, for the
Final snack! Overwhelming stench! Penetration has
begun,
Look at how your life is done! Leaving you for rotten
Stench, now your dead you stupid wench!
