Schools out and were runnin'
Schools out and were runnin'
Schools out and were runnin'
-for our lives
Have you ever hit the ground runni'
Have you ever wanted something
Ever not known what it was
Have you ever really been afraid
Have you worried about your grades
Ever wondered whaty it's all for.
Outside these walls
Your new tatoos not such big news
And no one cares if you play football
Thirteen long years
We couldn't wait to graduate
But don't really know it's here
-CHORUS-
I DON'T REALLY KNOW WHERE
I AM HEADING BUT I KNOW I'LL GET THERE
I DON'T REALLY KNOW WHEN
I'LL SEE MY FRIENDS AGAIN
Do you ever try to reminisce
Do you think you will be missed
Does it matter that much to you
Do you ever party with your friends
Have you seen a good thing end
Are you able to keep on movin
Outside these walls
Your moms not there
Noboday cares
And no one picks you up when u fall.
Thirteen long years
We couldn't wait to graduate
But we don't really know it's here
Schools out and were runnin'
Schools out and were runnin'
Schools out and were runnin'
-for our lives
-CHORUS-
And i'm ready for the real world
Can't no body hold me down
You know I'm gonna make it somehow
