Hold tight feels right
Let me stay with you tonight
Feels right, so right

Feeling, reeling
My heart's just hit the ceiling
Feels right, so right
Hold tight tonight

And if this is the way
I wish I had this feeling everyday
So hold tight, hold tight
Tonight's alright

Cold feet, knees weak
I stammer when I try to speak
Feels right, so right
Hold tight tonight

And if this is the way
I wish I had this feeling everyday
So hold tight, hold tight
Tonight's alright

Cold feet, knees weak
I stammer when I tried to speak
So hold tight, hold tight
Tonight's alright (x3)
