It's a beautiful day  
I'm feeling so fine  
There's love in the air  
And you on my mind  
Today's the day I wanna do the things I gotta do  
And if I get a chance I'd like to do it all with you

It's a beautiful day  
To wear me a smile  
It's one of those days  
That makes living worth while  
Today is like a holiday we used to have from school

Running to a beach to be the first one in the pool  
It's a beautiful, oh what a beautiful day (x3)

It's a beautiful day  
I'm happy inside  
What more can I say  
I've nothing to hide  
If you have the time I've got so much I wanna say  
If nobody will listen well I'll say it anyway  
It's a beautiful, oh what a beautiful day (x3)
