Burn you whore. Sins by the millions. Rot you bitch.  
Two-faced slut. United we stand against all these  
whores  
That stand before us. They'll take our loads, make  
them  
Feel the pain they've put you through. Alive no more,  
Never wake up, never wake up. Piece of shit, total  
waste  
Of human life. Waste of flesh, thought you said you  
were  
My friend. All lies!!! Expect no sympathy. All I want to  
Do is fuck you. Like the bitch, that you are. I will  
Mistreat you, I will mistreat you, I will mistreat you.  
Forced me to stick my dick in your ass again. If I've  
Mistaken you for a whore, you must forgive me, you  
just  
Act like one. Can you imagine, how many things you  
can  
Die from? While you were sleeping, dice you up and  
take  
You home. No more cries. Silent scream. Fucked her  
dead.  
Lifeless corpse. Wake you up at 2am and rip your heart  
Out your cunt. You fucking bitch, you make me sick, I  
Wish that you were never born. Can't let it slide. Chop  
You into little pieces, plenty of meat to last me  
Months...killer!! Fucked her dead. Lifeless corpse. Like  
The bitch that she was. You are not the only one,  
Memories burn inside of me. Of thousands put to  
death,  
Pushing daisies at their feet. Dismembering her lifeless  
Corpse. Oh, how I need to feel your lifeless corpse, I  
Feel the need. I feel the need to carve you up, and  
cover  
Your body with all the cum I can muster up. I feel the  
Need....Dismembering her lifeless corpse!!!
