Spread your legs, tied down, wide open! Blade 3 feet
up
Your twat, organs liquefy! Senseless need, my lust I
Hunger, sick device of torture, I want to see blood!
Knife in your cunt, cum and blood are mixing! Gun to
my
Head, force my to fuck the whore! Severed clitoris,
total
Vaginal dysfunction, bath in cum! Rug burt knees, my
cock
In your ass, I like the stench of shit between my teeth!
You scream, my cocks erect, I fuck your body! Drink the
Mixture of my cum and blood! Whore, bitch!
