Face down in the bowl of stench  
Fleshpot of ecstasy if you will  
Appendages spasm in delight  
Continuous lapping  
Taste buds destroyed from acidic juices  
Sweat and cunt dripping

All at once  
Rise  
Vertebrae arching  
Screaming  
Genitalia flush orgasmic soup  
Strength doubled  
She spasms my head deep in the hole

In excitement I've bitten the clit  
Blood trickles down the thigh  
Did she notice  
The screaming so loud  
Thrusting violently  
Pain mistaken for pleasure  
Again I indulge in her flesh  
Bite after Bite  
Deeper in the lusting socket  
Consuming the flesh

Each piece more rancid than the last  
Cunnilingus turned sexual buffet  
She has broken my skin with her digging nails  
Sweat finding wounds to sting  
No longer licking just constant feeding  
With predator like frenzy

Orifice now destroyed  
My prey no longer moving  
How quickly she bled to death  
I wipe her from my face  
Matted with blood, flesh, and hair  
I realize I was never brought to orgasm  
The selfish bitch deserved to die  
As she lies dead with eyes wide open
