I am the sheep in the black wool
Knock at your door, my sight you adore
Your smile so bold, my dick I wish you would hold
Dressed to impress, in my Sunday best
You think I'm great, but I'm really a piece of shit
Open your door, my manners are the best
Take you to a fancy meal, my vallet starts to appeal
Conversations great, speak about daily fate
There is no mistake, in her mouth I want to masturbate
Dinner is served, four course meal
Her sex appeal, on the table I want to commit rape
She thinks I am estute gentleman
But little does she know, I just want to get in those
Pants
On the floor we dance, and start to date my ass
Yet she doesn't know the truth, I'm so fucking uncouth
I'm really quite to love, and just a skanky ass male
Fucking whore

After the fucking date, take you to my house
Entice the into my door, relax you on my couch
Show you my other side, faked the with this gentleman
Shit
Now you succumb to my dick, rip the clothes off of you
I am the horny piece of shit

Grab your perky titties, I want to put them in my mouth
Caress your candy apple ass, I want to toss your salad
Rub your shaver beaver now, I want to nibble on your
Smelly knit
Run my hands down your legs, "Bitch don't you
shave?"

All my blood starts to run to my cock, your going to
Become my cum smock
You don't know what you're about to endure, your
going
To become my whore
My dick is going to menace, every single tight crevice
Your moans and screams of agony, you bitch get down
on

Your fucking knees
Bludgeon you with my stiff shaft smack the in the face
With my mushroom cap
Beat your nostrils with my balls, phallic beat down
All my blood starts to run to my cock, your going to
Become my cum smock
You don't know what you're about to endure, your
going
To become my whore
My dick is going to menace, every single tight crevice
Your moans and screams of agony, you bitch get down
on
Your fucking knees
And suck my cock to the best of your abilities
I lube up her ass with astro glide, now my cokc will go
Deep inside
"Honey, isn't this a ride?"
I pull out a kidney beat
I make her open up her mouth, clean the shit off on her
Tongue
Don't you love the taste of your bung?
"Bitch, eat that kindy bean"
Her gag reflex kicks in, now she pukes up din-din I
Toss her ass right on top, all of her mucal slop
My laughter starts to take control, my cock stops
Taking toll
Looking at her rectal asshole, blood seeps right out of
It
Now this chic can see, I'm deeply crazy
I hope her feelings are not hurt, I just want to get my
Hands up your skirt
She lays on ym floor
I really adore the way she squirms around in my sperm
Please stay awhile with me, well jarn some Lividity
I want a part three, I want to blow a fatty night into
Your pussy
Now I am through, I cannot drop no more go, she won't
Even spew
So bitch get the fuck out
Let's wrap up the night
I don't want to fight
Unless you want to be knocked in the teeth, skank I
Don't want to beef
Don't take it personal, your just another peace of ass
Did you really think I has class?
"Honey, I'm a sexual pig"
Grab your purse and dress, clean up all the mess
Could you maybe do the clishes, you just fulfilled all
My sexual wishes
Let the door hit you in the ass, call for a taxi cab
You expect me to pick up the tab, wrong...

I ain't playing for shit

Phallic beat down!
