Gouging deeper (blood starts flowing), pumping faster
(in
Her anus), twisting freely (gut the corpse), I cut the
Whore (she bled like a stuck pig)! Spewing blood on my
Face, chewing innards and mangled pieces, blood
flows
Down my throat like wine, choking on the vomit still
Contained within, vaginal cavity still intact for now, my
Knife now shreds cold cunt, I cook and eat it! Lying
cold
(gutted and hollow), stored within (my horror
chamber),
My perversion (sick and deranged), locked away (can't
get
No more)!
