Rotting clitoral decay! On your knees now, face to the
Floor, hands tied together, legs in the air, pray for
Your virginity as I rape your pink asshole! Journey to
Beyond, waste deep in feces, as my cock grows, I bath
in
Your feces! Dead cold cunt, maggots are feasting,
Entrails are sleeping, I got to fuke some more (I must
Fuck), pumping faster with my cock I rip your hole
open,
I rape you from behind! Balls deep, I rape your as, balls
Deep, I rape your ass! Reaching in my pants, I stick my
Dick straight down your throat, gargling cum, fist
Fucked, I love your stinky hole, fuck it! Reaching in my
Pants, I stick my dick straight down your throat,
Gargling cum, fist fucked, illicit acts, Gods of slime!
Sat on my cock, choked on my meat, pictures for later
on
Memories of shit!
