[Bonus track]

Plugging up your asshole with my stiffened cock!
Stroking with my tadpole your bunghole smells of
Rot! Pulling out my manhood take ahold of rod,
stabbing your vagina 'til your fucking dead! Driving at
You harder, your crotch begins to swell! You climax on
you agony, that pussy sure does smell!
Overwhelming stench! Thriving on your semen, lusting
for your crack, sizing up your rectum, for
The final snack! Overwhelming stench! Penetration has
begun, look at how your life is done! Leaving
You for rotten stench, now your dead you stupid
wench!
