[Music: Lividity; Lyrics: Bishop, Kibler]

Take what I want, suck my dick you fucking whore
Hard as a rock, I'm just about to lose control
Lust for your snatch, my dick it always calls to me
I think I need to cum!!

Cunts

Bow before me

Bless my dick

With your mouth

Slut

Now I'll fist your cunt

Make you suck my dick

Then you'll drink my cum

Cum

Covering all your body

Crusting on your forehead

Drown you with my jizzum

Whore

Beg for my forgiveness

All give praise to my dick

As I ream your hole

All that I want

All that I need

Tight little cunts

All in my face

God bless your tight cunt

Cum is dripping, blood is spilling, everywhere

Jizz is seeping, in your wounds on your leg

Tools all set out, ready to cut, mutilate,

Tight little cunt is no tight cunt anymore

Dumb whore

Suck my dick you fucking bitch!!

Suck my fucking dick you bitch right now!!

Gagged, shackled and tortured

The visions in my mind

Becoming a reality

Beat you with a stick

Up your ass it goes

Leave you all done

You are dead!! [5x]

All alone

*Dead to me
But your cunt's,
Still Alive
You are dead!! [5x]
When I'm done
You will see
I was right
You were wrong
Now're gone
No more grief
Should have kept
Your mouth shut*
