Nighttime falls, as I creep into my room  
Her eyes gazing, frantically for her life  
Preparing to die, I'll drag her body to my lair  
Violently reacting, to my every command

Death will come  
When you bleed  
Nice and slow  
Raging uncontrollably I

Rip off your arms  
Then your legs  
Leaving your torso  
Twitching and convulsing as I

Force your mouth on my dick  
Fuck the stumps where legs went  
Use your arms for chopsticks  
Then I'll...

Use a knife like a dick  
Ream your cunt till it rips  
Watch the blood and cum mix  
Then I'll...

Cut your throat as I thrust  
Mutilate your cold snatch  
My face glazed with your blood  
I use it for lube too

Penetrate your tight ass  
You're a bitch and a slut  
Used for sex and much more  
Left for dead on a rural road

Left there for the bugs to eat you'll...

Decompose  
Rotting till there's nothing left  
You fucking bitch  
Used, abused and left for dead
