Ain't no need to come home tonight
You don't need to come home tonight
Ain't no need to come home tonight
You don't need to come home tonight.
It's the same old lie and you can't deny
don't come home don't come home.

Baby ain't nothing changed
Why do I have to keep hearing her name
You told me you and her were through long ago
Well I'm sorry but the lies getting old
There ain't no need

Ain't no need to come home tonight (no need)
You don't need to come home tonight (not tonight)
It's the same old lie (same old lie)
and you can't deny (no no no)
Don't come home (don't come home) don't come home
(don't come home)

You must think I'm a fool
To keep doing me the way that you do
Trying to tell me that she's just a friend
When I know that ya'll are fucking again

(Aaaain't)Ain't no need to come home tonight (aint no
need to come home)
You don't need to come home tonight (no no no need)
It's the same old lie and you can't deny (you can't
deny)
Don't come home (oh) don't come home (don't come
home)

There ain't nothing you can say (nothing)
Nothing you can do (oh there ain't nothing you can do)
You should've thought about it when (yeah)
You were getting it (you should've thought about it
then)

Ain't no need to come home tonight
You don't need to come home tonight (not tonight)

It's the same old lie (same old lie)
and you can't deny (you can't deny)
don't come home (don't come home) don't come home
(don't come home)

Ain't no need to come home tonight
You don't need to come home tonight
It's the same old lie (same old lie)
and you can't deny
Don't come home (don't come home) don't come home
(don't come home)

Ain't no need to come home tonight
You don't need to come home tonight (i know i know)
It's the same old lie (same old lie)
and you can't deny
Don't come home, don't come home (don't come
home)

Ain't no need to come home tonight
Ain't no need to come home tonight
Ain't no need to come home tonight
