Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over

Here I sit alone on a Saturday night feeling kinda horny
Boy I ain't cool 'cos I'm missing you
But you're so far away baby, and I need you here by
my side
There's so many kinky things we can do tonight

Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over

Baby just a simple touch the little things mean so much
to me
I'll do any thing for you, if you ask me to I'll be there
for you
And baby I know you got a woman at home, you can
never be alone
To me, but it's alright, 'cos all I need is tonight, come
see about me

Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over

And we can do some kinky things
Check your heart, well don't you want to ride

Let's take our time, baby let's take it nice and slow
Baby I'll do you right, boy I'll make it good to you
All I wanna do is make sweet love to you
So don't make me wait too long, baby come over

Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over

Tonight is the night to make it alright
Tonight is the night, baby come over, baby come over
Tonight is the night
