[Adina]

Damned if I do, damned if I don't  
Sometimes I will, sometimes I won't  
I can't take it  
Sometimes I'm up, sometimes I'm down  
Sometimes I get rough, sometimes I get clowned  
I can't break it

[SFTP]

I got home late, so I'm gettin' called  
I'll let you sleep, 'cause I know you work hard  
So you call me in the morning  
Asking me where the hell I been  
Why didn't I check in  
I can't win, maybe we should just be friends  
But I love you so much  
You got me strugglin' like a junky 'cause I need your  
touch

Do you trust me?  
I'm not doin' no dirt  
So why you tryna bust me?  
Let me make it up tonight  
I just can't get it right

[Adina]

Damned if I do, damned if I don't  
Sometimes I will, sometimes I won't  
I can't take it  
Sometimes I'm up, sometimes I'm down  
Sometimes I get rough, sometimes I get clowned  
I can't break it

[SFTP]

Adina, let me feel ya

[Adina]

So you say you want my trust  
And you say you're down for us  
Well, what am I supposed to do?  
You stay out late  
And you come home when you want to

And you expect me not to be upset  
When I'm too nice, tears are all I get

I've been hurt before  
And I don't wanna be hurt no more  
Seems I can't win  
Things start out nice, we fight in the end  
Mmm, I can't get it right  
Let's make it right tonight

[Adina]

Damned if I do, damned if I don't  
Sometimes I will, sometimes I won't  
I can't take it  
Sometimes I'm up, sometimes I'm down  
Sometimes I get rough, sometimes I get clowned  
I can't break it

[SFTP]

I'm no good without you  
Let's try and work it out  
We belong together  
You're my lady

Oh, ohh yeah

[Adina]

Damned if I do, damned if I don't  
Sometimes I will, sometimes I won't  
I can't take it  
Sometimes I'm up, sometimes I'm down  
Sometimes I get rough, sometimes I get clowned  
I can't break it

[SFTP]

I'm no good without you  
Let's try and work it out  
We belong together  
You're my lady

[SFTP]

I'm damned if I do  
I'm damned if I don't  
I can't get it right  
What's really goin' on?

I'm damned if I do  
I'm damned if I don't  
I can't get it right  
What's really goin' on?
