[Verse 1]

The rain falls
down on my window pane
the silenced whispers things you used to say
I close me eyes and I feel you near
how I wish you were here
holdin me close in your arms again my dear
whispering sweet nothings in my ear
the passion burns
on how I miss my baby

[Chorus x1]

Postcards and photographs
loveletters to you
late night phone calls to say
you love me too
oh how I miss you

[Verse 2]

The memories hanging on the walls of my mind
soothes my soul
Lord knows I want my baby back home
don't wanna spend another minute without you
its been so long
the taste of our kiss fading

baby, stay on my mind
the way i feel for you holds
me close at night
but i'm still missing you

[Chorus x1]

Postcards, and photographs
love letters to you
late night phone calls to say
you love me too
oh how I miss you

[Hook]

I lie awake at night
wishing you were by my side

[Chorus x2]

Postcards and photographs
love letters to you
late night phone calls to say
you love me too
oh how I miss you

Postcards and photographs
love letters to you
late night phone calls to say
you love me too
oh how I miss you
