[Chorus]

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

[Verse]

The way you're livin'
Is so damn sneaky
Thought you had it goin' on
When you flip me over-easy
But now, I tell you
One last time
I'm out to get mine
I'm out to get mine

[Pre-Chorus]

(I ain't goin' for it this time)
It will never be the same, no no, baby
(We can't hook up no second chance)
You had your chance to do right by me

[Chorus]

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

[Verse]

You thought you were
Hittin' it like no other
Like I said before
You're a 2-minute brother
And all this time
You thought you had me shakin'
I guess I'll tell you now

I'm gettin' good at fakin' it

[Pre-Chorus]

(I ain't goin' for it this time)
It will never be the same, no no, baby
(We can't hook up no second chance)
You had your chance to do right by me

[Chorus]

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

[Rap]

now swerve and you got the nerve
and they wanna kick it
I gets wicked, ow, fellas be wanna stick it
next up, be fully erect up, like get the heck up
spit this rec', get my check-up, from the neck up
I'm goin' on with my bad self, ain't no lover girl
'cause I used to, used to be (used to be) your girl
what goes around comes around and you ran out of
time
you had to get yours, well now I gots to get mind.

[Chorus]

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

What goes around
Comes back around
Tonight, I'm gonna get my swerve on

What goes around
Comes back around
Tonight, I'm gonna get my swerve on
