You must understand how the touch of your hand  
makes my pulse react  
That it's only the thrill of boy meeting girl, opposites  
attract  
It's physical, only logical  
You must try to ignore that it means more than that

What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?

It may seem to you that I'm acting confused, when  
you're close to me  
If I tend to look dazed I read it someplace, I've got  
cause to be  
There's a name for it, and there's a phrase that fits  
But whatever the reason you do it for me

What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?

I've been taking on a new direction  
But I have to say  
I've been thinking about my own protection  
It scares me to feel this way

What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?

What's love got to do, got to do with it  
What's love but a sweet old fashioned notion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?

What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it

Who needs a heart when a heart can be broken?

What's love got to do, got to do with it  
What's love but a second hand emotion
