Follow the rules of life

Don't let them change your mind

Take a good look inside

And do the right thing, do the right thing

Follow the rules of life

Don't let them change your mind

Take a good look inside

And do the right thing, do the right thing

Woahoa!

You, only you can achieve

If you follow your dreams

They will come true

If you strive to, If you pay all your

dues don't you stray

Don't let anything stand in your way

In this world today

Your time will come, come any day

You, only you can achieve

If you follow your dreams

They will come true

If you strive to, If you pay all you dues oh!

Don't you ever stop movin', don't you ever stop

Don't you ever stop climbing till you reach the top

You can have it all, you can be whatchya wanna be

You can stand tall, and you can be free
