Don't do it  
Don't do it  
Don't ya do it  
No no no  
Do it for life, protect yourself

(Don't do it) Just for the sex of it  
(Don't do it) Just for the thrill of it  
(Don't ya do it) Just for the sex of it  
(you better) Do it for life, protect yourself  
Just for the sex of it  
(Don't do it) Just for the good of it  
(Don't ya do it) Just for the sex of it  
(No no no) Do it for life, protect yourself

If you ain't got one  
Then don't even think about it  
'Cause it ain't no fun  
And aint no doubt about it

If you're lookin' for a good time  
Come on don't you roll in the sack  
Think before you leave because you  
Can't turn back  
You must respect and protect if you wanna be free  
Listen to me

Now don't you be the one  
To give in easily  
If ya wanna have fun (have fun)  
Bring the necessities

Before you put on the red light (red light)  
Let's be sure to get it right (get it right)  
Don't get caught in the heat of the moment

Just for the sex of it
