In a new place, in a strange land  
An undone new world, not a part of the plan  
Hatred and fear is the language I know  
Out of my home, out of control

Everything that I want, isn't it everything that you've  
got?  
Everything that I want, isn't it everything that you've  
got?

How much more do you think I can take?  
I yield to your smile, a victim's mistake  
I don't want your life, I've got my own needs  
A life of my own, a chance to be free, yeah

Everything that I want, isn't it everything that you've  
got?  
Everything that I want, isn't it everything that you've  
got?

Everything that I want, isn't it everything that you've  
got?  
Everything that I want, isn't it everything that you've  
got?  
Everything that I want, isn't it everything that you've  
got?  
Everything that I want, isn't it everything that you've  
got?
