{And during the few moments that we have left  
We want to talk right down to earth  
In a language that everybody here can easily  
understand }

Look in my eyes  
What do you see?  
The cult of personality

I know your anger, I know your dreams  
I've been everything you want to be  
Oh, I'm the cult of personality

Like Mussolini and Kennedy  
I'm the cult of personality  
The cult of personality  
The cult of personality

Neon lights, a Nobel prize  
When a mirror speaks, the reflection lies  
You don't have to follow me  
Only you can set me free

I sell the things you need to be  
I'm the smiling face on your TV  
Oh, I'm the cult of personality  
I exploit you, still you love me  
I tell you, one and one makes three  
Oh, I'm the cult of personality

Like Joseph Stalin and Gandhi  
I'm the cult of personality  
The cult of personality  
The cult of personality

Neon lights, a Nobel prize  
When a leader speaks, that leader dies  
You won't have to follow me  
Only you can set you free

You gave me fortune, you gave me fame  
You me power in your God's name

I'm every person you need to be  
Oh, I'm the cult of personality

I'm the cult of, I'm the cult of  
I'm the cult of, I'm the cult of  
I'm the cult of, I'm the cult of  
I'm the cult of, I'm the cult of personality

{Ask not what your country can do for you  
The only thing we have to fear is, fear itself}
