(Inspired By: "The Thing"(?))=0A=

=0A=

The corpse has been freeze-dried=0A=

For many years in a state of suspended  
animation=0A=

Alien creatures fell down to earth=0A=

Slimy things with malicious intentions=0A=

They invade a body through the mouth=0A=

Laying eggs in the brain=0A=

You walk dead when they hatch=0A=

Your body going down the drain=0A=

=0A=

They are inside your head=0A=

You are walking dead=0A=

They multiply=0A=

Inside your brain=0A=

Your face will burst=0A=

When you are cursed=0A=

Under the curse of the creeps=0A=

=0A=

Heads explode as the slugs spill out=0A=

Leaping to other victims=0A=

Humans die but the creeps increase=0A=

Crushing decapitated corpses=0A=

Cops look for an explanation=0A=

Is it the works of a psychopath?=0A=

Then they realise it's from outer-space=0A=

Causing this horrible death=0A=

=0A=

They are inside your head=0A=

You are walking dead=0A=

They multiply=0A=

Inside your brain=0A=

Your face will burst=0A=

When you are cursed=0A=

Under the curse of the creeps=0A=

=0A=

Shoot the head off with a gun=0A=

Burn the creeps with a flame-thrower=0A=

The slimy things can't stand the heat=0A=

Fire will kill them=0A=

All cursed ones must be demolished=0A=

Not a single person can be spared=0A=

Melt the creeps to the last one's gone=0A=

Or the curse will start again=0A=

=0A=

They are inside your head=0A=

You are walking dead=0A=

They multiply=0A=

Inside your brain=0A=

Your face will burst=0A=

When you are cursed=0A=

Under the curse of the creeps=0A=

=0A
