In the ugliness of beauty
And when pretty is vicious
You thought you were a voyeur
But the irony is delicious

Yeah, yeah

In the excess of excess
The pigs are at the trough
You thought you had to fill
But enough is never enough

Feel the decadance
Feel the decadance
Feel the decadance

Enough is never enough

Young thrill seekers craving attention
Thought you were special
You never learned your lesson

Feel the decadance
Feel the decadance
Feel the decadance

Feel the decadance
Feel the decadance
Feel the decadance

Enough is never enough

Those that dare to question
Those that dare to dream
Buried alive in your shit
No one can hear you scream

In the belly of the beast
You stood tall
Didn't anybody tell you?
All empires must fall

Feel the decadance
Feel the decadance
Feel the decadance

Enough is never enough

Decadance, decadance
Yeah, the decadance
