Glamour Boys  
Living Colour  
(V. Reid) - Bass arrangement by M. Skillings

The glamour boys swear they are a diva  
The glamour boys have it all under control  
Always dancing and always laughing  
The glamour boys are playing the role

The glamour boys never have no money  
The glamour boys wear the most expensive clothes  
The glamour boys are always at the party  
Where the money comes from heaven only knows

I ain't no glamour boy - I'M FIERCE  
I ain't no glamour boy - (snap)  
I ain't no glamour boy - I'M FIERCE  
I ain't no glamour boy

The glamour boys live off their ambition  
The glamour boys have it all figured out  
A very, very dubious position  
When you got no clout

The glamour boys whole life is a gamble  
They might get over or fall flat on their face  
But if one does, there's no need to worry  
Another G-Boy will take this place

I ain't no glamour boy - I'M FIERCE

The glamour boys don't think tomorrow  
The glamour boys just need tonight to play  
But just like things you can't afford on credit  
Time catches up and you have to pay

The glamour boys are always on the guest list  
You'll always find them in the hottest spots in town  
They'll be your friend if you have fame or fortune  
If you don't they won't be hanging 'round

I ain't no glamour boy - I'm FIERCE
