How (di)d you come to live on ... angel?
You feel this place with timeless ...
You blind us heaven ...
Without your wings ... to fly

Through the night

Where (di)d you leave your halo angel?
Is it underneath the devil's bed?
Did you lose it among the stars?
Or is it circling my heart?
Torn apart

....

Where angels feel the same
Your warning and your sign ... be mine
Be mine
Be mine

Where will you go when you leave my angel?
To the or to heaven's gate
But when ... sees that look...
.... in your eye
Will it tell you ... that it's much too late

Is it much too late?
Angel
Is it much too late?

Where are you going?
Don't you leave
I love
I love
I love You
Ohh
Don't you go
Please don't you go
Please, please don't you go
Don't you
Don't you go
Don't you go
Don't you go

Please don't go

Angel

Angel

Please, please, please don't go
