"Love rears its ugly head??

Yeah ehh ehh

Ah ooh ooh

Dib um dib dib dib dib dib dib

I always thought that our relationship was cool

You played the role of having sense

I always played the fool

Now something's different

I don't know the reason why

Whenever we separate

I almost want to cry

Oh no, please not that again

Love rears its ugly head

And when I come home late you don't complain or call

so as a consequence I don't go out at all

My friends are frightened

They don't know what's going on

They think you put a spell on me

And now my mind is gone

Chorus

Love's not so bad they say

but you never know where love is gonna go

Does anybody really know oh?

I'm standing at the altar

As they play the wedding march

I'm in a black tuxedo with my collar full of starch

She looks as lovely as she's ever gonna get

I wake up from this nightmare in a pool of sweat

Chorus

What you gonna do

What you gonna do when it comes and gets you?
