And when they would do good, evil is present

Buy and die or sell and be free
We are the new jacks, this is our reality
Do unto others, leave no one alive
This is our creed, we will survive
No control is how Iâ€™m living
On the edge with no forgiving

Things get rough when you've got time to kill
You've got the cash, then Iâ€™ve got your thrill
I make more money than a judge or a cop
Give me a reason why I should stop
Large is how Iâ€™m living [?]
On the edge of your forgiving

Some people that say my soul is lost
I'll lose my life if I start to turn soft
From where I am there's no turning back
Crack is the master
I am a new jack

Doesnâ€™t anybody see me? (I just came by to see)
Doesnâ€™t anybody hear me?

I'll never change, I'll never stop
I've got cold cash, Iâ€™m on the top
We can get busy if you want to play
I want the last laugh when I blow you away
Don't you see me?
Can't you hear me?
Don't you see me?
Can't you hear me?
Don't you see me, hear me?
Don't you see me, hear me?
Don't you see me, hear me?
Don't you see me, hear me?
