I am an angel, stands in the corner
Nobody sees me
Invisible angel, makes certain signals
Only I know what they mean

Dogs and demons walks in my head
I am deep under pressure
I understand what I have to do now
I know I'm just following orders

They crucify me again and again
I won't stay on this cross
Nobody knows the trouble I've seen
Nobody knows what I've lost

Heavy things, in a heavy bag
Heavy thoughts on my mind
Ghosts and monsters, you bastard sinners
You've ruined my life

I walk through a crowd
Nobody sees me, I'm invisible here
I've come to finish my mission
And put an end to this fear

They crucify me again and again
I won't stay on this cross
Nobody knows the trouble I've seen
Nobody knows what I've lost

Day in, day out, day in, day out
Chaos and carnage around me
Well, I hear their shouts and cries
Well, I laugh at the gut when they try to surround me
They won't take me alive

They crucify me again and again
I won't stay on this cross
Nobody knows the trouble I've seen
Nobody knows what I've, nobody knows that it's

Day in, day out, day in, day out, day in

Nobody knows the trouble I've seen
Nobody knows what I've lost
