Darling, you got to let me know
Should I stay or should I go
If you say that you are mine
I'll be here till the end of time
So come on and let me know
Should I stay or should I go

It's always tease, tease, tease
You're happy when I'm on my knees
One day it's fine and next it's black
So if you want me off your back
So come on and let me know
Should I quit or should I blow

Should I stay or should I go now
Should I stay or should I go now
If I go, there will be trouble, if I quit it will be double
So come on and let me know

This indecision's bugging me
If you don't want me, set me free
Exactly whom I'm supposed to be?
I don't know which clothes even fit me
So come on and let me know
Should I stay or should I go, go, go, go, go

Should I stay or should I go now
Should I stay or should I go now
If I go, there will be trouble, if I quit it will be double
So come on and let me know

Come on and let me know
Should I stay or should I go
