You can't tell me how to run my life down
You can't tell me how to keep my fitness sound
You can't tell me what I'm doing wrong when you keep
jiving and sing that same old funny song
You can't tell me which way to go 'cause I'm three times
seven and then some more
Like a dull knife you just ain't cuttin'
See, you're just talkin' loud and sayin' nothin', and
sayin' nothin', and sayin' nothin'
Don't tell me how to do my thing when you can't do
your own
Don't you tell me how to be the boy when you know,
know, know I'm grown
Don't you tell me how to dress
You can't tell me how to run my mess
See, you're like a dull knife, you just ain't cuttin'
You're just talkin' loud and sayin' nothin', ain't sayin'
nothin', ain't sayin' nothin'
Here we go, one, two, one, two, three, bridge
Hey. Oh, I gasta, baby, I musta, baby, I gasta, baby, I
must like, ashes to ashes and dust to dust
Shape up your bag, don't worry 'bout mine
My thing's together and I'm doin' fine
Good luck to you, mister loud and wrong and keep on
singing that same old funny song
Then just keep on singing that same old funny song
Just keep on singing that same old funny song
Ok Will, here we go, just one, two, three
Well you just keep on singin', just keep on singin',
come on, keep on singin'
Keep on singin', keep on singin', you got to keep on
singin', you got to keep on singin', you got to keep on
singin'
See, you're like a dull knife, you just ain't cuttin'
You're just talkin' loud, you ain't sayin' nothin'
You're like a dull knife, you just ain't cuttin'
You're just talkin' loud, you ain't sayin' nothin'
You're like a dull knife, you just ain't cuttin'
Well, you're just talkin' loud, you ain't sayin' nothin'
You ain't sayin' nothin'
Come on, sayin' nothin'
Come on, sayin' nothin'

Hit me one time more
You got to just say something
You're going, not sayin' nothin'
You got to just say something
Come on, you got to say something
Come on, you got to, you got to, you got to, you got to,
you got to, got to, got to, you
You're like a dull knif, e you just ain't cuttin'
Hey, well, you're just talkin' loud, you ain't sayin'
nothin'
Oh lord, you're like a dull knife, you just ain't cuttin'
Lord, you're just talkin' loud, you ain't sayin' nothin'
