Here now, the news
Hear all the views
TV talks to me

Eye witness at the scene of the crime
Same channel, same time
Here now, the news

The sea of simmer, is here save
The choice is hard in the picture you paint
Here now, the news
Hear all the views
TV talks to me

What scam will win burning politics greed?
Sports and weather, it's the ratings you need
Here now, the news
Plastic faces, numb the pain
Leave me laughing, keep me entertained
Here now, the news
Hear all the views
TV talks to me

Here now, the news
Here now, the news
