He comes up  
Out of Hell  
Hold it for  
Hold it for spell

Centuries ago  
A holy man  
Had a big fight  
With his ancestor

Vengeance of Hell, Vengeance of Hell, you all  
Vengeance of Hell, Vengeance of Hell, must die

He comes up  
Out of Hell  
All men who saw  
Hold it for spell

Centuries ago  
A holy man  
Had a big fight  
With his ancestor

Vengeance of Hell, Vengeance of Hell, you all  
Vengeance of Hell, Vengeance of Hell, must die  
Vengeance of Hell, Vengeance of Hell, you all  
Vengeance of Hell, Vengeance of Hell, must die

I wanna tell you about a man who's ancestor  
Had a big fight with a holy man centuries ago  
Now he comes from deep up out of his dark realm  
And on the whole world the holy men start to run  
When they saw the vengeance in his eyes

Run, run, run, run, run, run...
