Oh I can't explain it  
Oh I guess it's just the way it goes  
For I know no reason  
For I don't know where I'm going

Don't come around here no more  
You're not welcome here anymore

From Here On In, you're on your own  
So carry on just like before  
And don't you think I won't

I've got no time for you  
So don't come near me  
Cos I just can't stand it  
Now there's no room for you  
For I know where I'm going

Don't come around here no more  
You're not welcome here anymore
