[Originally by Duran Duran]

See them walking hand in hand across the bridge at
midnight
Heads turning as the lights flashing out are so bright
Then walk right out to the fourline track
There's a camera rolling on her back on her back
And I sense the rhythms humming in a frenzy
All the way down her spine

Girls on film
Girls on film
Girls on film
Girls on film

Lipstick cherry all over the lens as she's falling
In miles of sharp blue water coming in where she lies
The diving man's coming up for air
Cause the crowd all love pulling dolly by the hair, by the
hair
And she wonders how she ever got here
As she goes under again

Girls on film (two minutes later)
Girls on film
Girls on film (got your picture)
Girls on film

Wider baby smiling you've just made a million
Fuses pumping live heat twisting out on a wire
Take one last glimpse into the night
I'm touching close I'm holding bright, holding tight
Give me shudders with a whisper take me high
Till I I'm shooting a star

Girls on film (she's more than a lady)
Girls on film
Girls on film (see you together)
Girls on film
Girls on film (see you later)
Girls on film

Girls on film (two minutes later)
