Into the red, the hippie dream is dead  
Like a lightbulb blowin' a fuse inside me head

Gimme some speed to burn  
Don't wanna wait my turn  
And now the parties over but not a lesson learnt

Into the red  
I'm goin' out of my head  
Gotta go now but I'll never slow down  
When the world outside is red  
Into the red  
Into the red  
Into the red

Alright  
Into the red, the sixties dream is dead  
Like a low down juvenile getting high instead

Gimme some speed to burn  
Don't wanna wait my turn  
And now the parties over but not a lesson learnt

Into the red  
I'm goin' out of my head  
Gotta go now but I'll never slow down  
When the world outside is red  
Into the red  
Into the red  
Into the red

Alright  
Into the red, the hippie dream is dead  
Like a lightbulb blowin' a fuse inside me head

Gimme some speed to burn  
Don't wanna wait my turn  
And now the parties over but not one lesson learnt

Into the red  
I'm goin' out of my head

Gotta go now but I'll never slow down  
When the world outside is red  
Into the red  
Into the red  
Into the red  
Alright  
Red
