Listen Up Suzy I got something to say
I gotta tell you right now it's important
I know I don't do the right thing by you
But I'll make it up to you by the morning

You said
No no not this time
Because you made up your mind
We're through tonight

Well listen here Suzy don't go talking that way
Because I'm sorry if I ever ignored you
I'm not gonna be myself like that again
Because I can't stand living without you

You said
No no not this time
Because you made up your mind
We're through tonight

Well Come on! (Come On!)
Come on! (Come On!)
Give me a chance you'll see
Well Come on! (Come On!)
Come on! (Come On!)
Don't make me get on my knees
(Come On!)
Suzy come back to me!

All right now!

Well listen Suzy can't you see?
You mean everything to me
Why are you trying to break my heart?
And pull it apart...

And if you don't wanna stay
I'll never let you get away
You're sick and tired, of all the lies
There ain't gonna be a next time...

Well Come on! (Come On!)
Come on! (Come On!)
Give me a chance you'll see
Well Come on! (Come On!)
Come on! (Come On!)
Don't make me get on my knees
(Come On!)
Suzy come back to me!

(Come On!, Come On!)
