

Living Death

"Order Of The Day"

You're not the only one.
You're not the only one,
Living with what you've done
You'll be the lonely one.
You'll be the lonely one,
When the day is done.

[chorus]

I sent a message that you didn't read,
I tried to call but you hung up on me.
Now will you ever come back to me again?

[verse]

How can you carry on.
How can you carry on,
Pretend that nothings wrong.
You'll have no-where to run,
No-where to run.
When the day is done.

[chorus]

I sent a message that you didn't read,
I tried to call but you hung up on me.
Now will you ever come back to me again?

[verse]

You're not making any sense saying one last time.
You're not making any sense saying one last time.
Now that your love has expired,
And your heart seems lost and tired.
You're not making any sense saying one last time.
One last time,
One last time.
One last time,
One last time.
You came undone and lost your way,
You took a bet that you couldn't pay.
I wont forget but i'll refrain,
And bury the memory along with the pain.

Hey! the order of the day

Hey! the order of the day

Hey! the order of the day

[chorus]

I sent a message that you didn't read,

I tried to call but you hung up on me.

Now will you ever come back to me again?
